

## Domaine Bitouzet-Prieur (Volnay)

### Dom Bitouzet-Prieur 2021 Meursault

---

*Village and Clos du Cromin cuvées combined in 2021.*

Floral and fun on the nose. Big and fruity – much more so than many Meursaults – but already fun to drink. And by no means heavy. There's an interesting light nutty note. Very smooth texture. Unusually approachable and seductive.

Drink 2023 – 2029

Pale crimson. Juicy and lively with very direct fruit. Polished tannins and a hint of chestnut flavour. Reasonably transparent.
