

93points Bitouzet-Prieur 2016 Pitures-Dessus Premier Cru (Volnay)

Ripe red-berry flavors are still developing in this rich wine. Its structure shows the generous Volnay character, with integrated tannins and swathes of ripe fruit. Drink from 2022

91points Bitouzet-Prieur 2016 Charmes Premier Cru (Meursault)

A perfumed wine full of white fruits balanced by acidity, this is already advanced and ready to drink. The wine's texture, however, will also allow it to age. Drink now for its fruitiness or from 2021

87points Bitouzet-Prieur 2016 Les Aussy Premier Cru (Volnay)

While there is plenty of red-berry fruit here, this wine has a rustic edge that will probably remain. It is a shame because the red fruits are already attractive.
