Part of **Top 2019 Côte Chalonnaise en primeur wines**

From the south-facing slopes at the entrance to the northern portion of the appellation, this retains a winning freshness, with perfumed plum and cherry aromas, plus an edge of flowers and spice. On the palate the wine is light and fresh, but nicely ripe with a satin texture. The fruit is destemmed and given a short cold maceration, prior to fermentation in cement tanks. Maturation is 16 months: 60% in cask (20% new) and 40% in tank.

Part of **Top 2019 Côte Chalonnaise en primeur wines**

Light and aromatic, with ripe red and black berry fruit, the wine knits together nicely on the palate to deliver crisp, straightforward Pinot flavors. Blended from parcels in the northern portion of the Givry appellation, the grapes are destemmed and fermented in cement tanks, prior to receiving a short maturation, partially in cask.
